'21st Century Disciples'

What does it mean to live as a Disciple in Scotland today?

What are the challenges of living a mission impelled life?

How will we respond as individuals and a church?

What people said about this event held in November 2009 in Edinburgh:

'Graham Cray brilliant'
'Inspiring, powerful teaching'
'Challenging and practical'
'Encouraging and thought provoking'

Explore together with us the opportunities, barriers and means to disciple a nation. There will be teaching and interactive workshops to learn, debate and explore the ways forward for Christians and churches to grow in 'whole life' missionary discipleship.

Who?

If you want to see Scotland transformed for Jesus through the making and releasing of disciples this event is for you. The event is for all in the church: any denomination; for those in leadership and those who are not: 18 years old and upwards.
