# Further ways to give

## Tax Efficient Giving for Higher rate UK tax payers

If you pay higher or additional rate tax, you may recover this through your own tax return. Alternatively, you may pass on this extra tax to LICC by giving via your employer's payroll giving scheme.

### Payroll Giving

Giving via Payroll Giving means you give 'pre-tax'. You can therefore pass on the full benefit of your tax to LICC immediately.

For Higher Rate and Additional Rate taxpayers, this increases your charitable donation by the amount of the tax you would have paid on the donation if you'd kept it as income - 67% or 82% respectively, an increase of 33% and 45% over Gift Aid.

If you are a Basic Rate taxpayer, Payroll Giving would increase your donations by 25%, which is the same as a Gift Aid declaration.

### To Leave a Legacy

If you are considering making a bequest to LICC or have already included a gift to LICC in your will and would like to talk to somebody, or require more information about legacy giving, then please feel free to contact us at [mail@licc.org.uk](mailto:mail@licc.org.uk) or call Brian Ladd on +44 (0)20 7399 9563. This information will be treated in confidence and is not binding in any way.
